

# Milan Elementary

Volume 2, Issue 5

May 2019

## Dear Milan Elementary Families,

*The end of the school year is vastly approaching and I want to take a moment and thank you for all your help and support this past school year. You as parents play a vital role in your student's academic success and we could not have achieved all that we have without you. You are an integral part of our mission here at Milan Elementary in "Striving for Excellence in Everything".*

*With the end of MAP testing it is time to celebrate this last month of school. We have several field trips planned over the next few weeks and will continue to prepare students for the next year.*

*With the summer months upon us please remember to read over the summer and continue to access IXL. I will be presenting prizes to our students at our "Back to School Night" for those that continue to use IXL over the summer months.*

*We encourage everyone to attend summer school for an additional month of enrichment and fun. Mrs. Sawyer has planned weekly field trips and I feel this will be a fun positive learning experience for all those that attend.*

*Have a great and fun summer!! See you in the fall!!*

**Ashley Pauley**

## Summer School Reminders:

- Summer school application are due May 17<sup>th</sup> and summer school will be May 28<sup>th</sup> -June 24<sup>th</sup>.
