Dear Business Owner:

The Milan C-2 School District would like to give you the opportunity to advertise your business at the Cal Hubbard Football Field using the message center on our Scoreboard. The message center has proven to be an excellent way to have your business publicized with the ability to run ads, stats, personal messages, and pictures during home Junior High, JV, and Varsity football games. We are now taking advertisements for the 2018-19 season of sports.

I hope you were able to view the message center at some point last fall and were pleased with the way it looked. I am sure you agree that Football in Milan is a big deal and many patrons come to watch the various games. If you did not purchase an advertisement but would like to this year, please call or email me and I would be happy to set something up for your business. If you did advertise with us but would like to renew or make a change to your advertisement, let me know what I can do to better serve you.

Below are the various advertisement options. I hope that we offer something that fits your budget. You can mail it to the address at the bottom or drop it off at the High School office. Thank you for your support of our students/athletes of the Milan C-2 School District. If you have further questions, please feel free to contact me.

Sincerely,

Jamie Tipton, Athletic Director

Available advertisements will be on three levels: Green = \$500.00 or more
 Yellow = \$250.00 - \$499.00
 White = \$100.00 - \$249.00

Advertisements will be placed with Green level at the beginning, followed by yellow and then the white level ads. All advertisements run on a loop throughout every home game. Ads with the highest monetary value will be loaded at the beginning of the loop and will be viewed more than others.
